CHURCH PLANTING MISSIONARIES TO ECUADOR
KASON, BETHANY, JAXON, NOAH

Dear friends and prayer partners,

God has been very good to us this past month of March. We've seen God at work, and we've had a steady stream of visitors in all of our services. Please pray that these visitors will return and come to salvation! My wife had the opportunity to lead a young lady to the Lord this month, and we are thankful that she put her trust in Christ alone!

We had the opportunity to officially organize as a church this past month. Forty people joined as members of the church in this special service. These are people who are saved, baptized, and have been through discipleship, and they want to serve the Lord in our church. We were fortunate to have my pastor, Trent Cornwell, with us for this special service, and we are excited to have organized our church.

We also celebrated our second anniversary on March 17th! We had Hornado, a traditional Ecuadorian dish, to celebrate, and we are very thankful to see what God has done over the past two years here in Ecuador. We greatly appreciate every person who has given to support us here on the mission field, and because of your giving, we are able to serve the Lord here and see souls saved. We had 190 people on this special day, and we were very encouraged to see how God is growing His church!

We would like to say thank you very much to those who were praying for and those who gave toward the purchase of a van for the church here. We have received enough for us to be able to purchase the van, and we will be doing so this week. It will be a huge blessing to us, and please pray that we will be able to reach more lost people with this van."

Thank you very much for your prayers and support! The Blooms
