Deputation Director and Church Planting Representative for Asia

March/April 2024

Dear Pastors, partners, and friends in the ministry,

Since our last update, we have continued to enlist and educate. We visited a college, participated in a missions conference, continued with classes, launched some families to the field, and added more missionaries.

ENLIST:

At the end of March, a missionary to Nigeria, two students, and I went to Pensacola Christian College (PCC). We were able to present in the display room for two days and preach/present in Missions Prayer Band. We had many great

interactions and appreciated the opportunity to talk with students. As always, PCC was very kind to open their facilities for us to talk to future missionaries.

We also were able to participate in Bible Baptist Church's missions conference in Victorville, CA. It was a blessing to update the church and to encourage young and old alike to consider missions. We appreciate their partnership in the ministry.

It was a blessing to be with Sam and Julie Hodges (Abbi's in-laws) at the conference and spend some time with family while out West.

We continue to help the team plan and/or participate in many opportunities in the coming months to enlist more missionaries. Jim Roberts has many Youth for the Gospels (YFTG) scheduled this

year and we will be preaching at those. Also, we have three World's Cheapest Missions Trips scheduled for May, June, and July, as well as the China GoForth tour in June. These are many opportunities to enlist more laborers.

EDUCATE:

We continue helping the students on campus through teaching and mentoring. We are grateful for the students the Lord has entrusted to us. It has been a great semester.

Two interns are now our newest missionaries at VBM. We are grateful for the Johnson family and Joy Wahl joining VBM. I am grateful for the opportunity to help these new missionaries on deputation.

On the other end of deputation, we were able to "launch" three more missionaries to the field: The Praters to Paraguay, the Wilkersons, and Clowers to Mozambique.
