Church Planting In Paraguay

April 2024 Prayer Letter

Arriving to the Field

It is exciting to be writing to you all for the very first time since we have arrived on the field! It has been many years of studying, preparing, and praying to be in the very place we are today. Since arriving to the field we have been busy searching for a house to rent, a vehicle to drive, and learning many of the beauties of the Argentine people and culture. We have had success in finding a house we want to live in, but the process to rent a house here takes much longer than it does in the states. God has already worked in big ways and we are trusting his plan will be accomplished through this process. Please continue to pray that we can move into and set up a house quickly.

Commissioning and Ordination service

The Sunday before we departed, our church held a special commissioning service for Lauren and me. A counsel of pastors, missionaries, and mentors was held to confirm my doctrinal beliefs and during the commissioning service I was ordained into the gospel ministry. This was a memorable time for us as many of our family and friends gave testimonies of encouragement to us before we left. We are so thankful that God has surrounded us with so many people that love and support us as we are following God's will for our life.

His servants to Paraguay,
Robbie & Lauren Prater

Prayer Requests:

- To move into and set up our house quickly
- For us as we are adjusting to a new culture, language, and way of life
