MISSIONARIES TO PERÚ

Praises:

Our hearts are full as we consider all that the Lord has done. The Christmas cantata was a blessing and God gave liberty to preach the Gospel. Several visitors came. Please continue to pray that God's Word would be sown and flourish in people's hearts. We need His wisdom and discernment as we minister each week. Pray that we would be faithful in planting and watering; we know that He will give the increase.

We are grateful to report that through generous gifts from Calvary Bible Baptist Church, Community Baptist Church, and Lifeway Baptist Church we have received the funds necessary for the purchase of a vehicle for our family and the ministry. Please pray that God would guide us to the exact van He has for us.

Family and Teen Camp

January 25-27, we held our first family camp. More than 60 people attended and were encouraged through helpful workshops, Bible messages, and Christian fellowship. The theme of both camps this year was "Transformed into His Image."

February 13-17, more than 50 teenagers participated in teen camp. Of the 15 young people attending from our church, 4 were able to attend on scholarships. These are young people who would not have been able to afford to go otherwise. Thank you to those who gave towards that. One young man from our church accepted Christ as Savior and many other decisions were made throughout the week. Our son Josiah participated in the youth-led orchestra which blessed the times of singing. We are thankful that the week prior to the camp, 4 young people trusted Christ during a Saturday night youth meeting. We pray that God would work in the hearts of our youth and that they would make the decision to follow God with their lives.

Please continue to pray for the salvation of Mirtha, Miguel, José Luis and Feliciana.

Family

Thank you to those who encourage us by sending cards and gifts for birthdays and Christmas.

What a blessing for a missionary kid to get their own mail! *We recently found out that the new baby is a boy.* Please continue to pray for good health and for a safe delivery in June as well as for God's wisdom to raise each of our children to love and serve Him. Everyone is working hard to hopefully finish school before the baby's arrival. There is never a dull moment!
